

Door Technician – Toledo Door and Window

Location: Toledo, OH

Position Type: Full-Time

Company: Toledo Door And Window - Home of the Talking Door - Toledo's Leader in Windows, Entry Doors, Overhead Doors, and Garage Door Solutions!

Job Overview:

Toledo Door And Window is immediately hiring Installation Technicians in ALL SERVICE AREAS, including Entry Doors, Garage Doors, Overhead Doors, and Electric Openers. We're offering a career, not just a job. Join our team where your opinion and insight matter. You are never just another number or employee! We want to be part of your success in building a long-term career with us!

Key Technician Candidate Features:

- Experience: Any experience in the installation of Garage Doors or Overhead Doors.
- Skills: Good mechanical skills are a MUST.
- Work Ethic: Hard-working and energetic.
- Physical Activity: Capable of moderate physical activities.
- Attitude: Good, positive attitude.
- Interpersonal Skills: Able to build and maintain rapport with customers and team.
- Requirements: Valid driver's license.

Technician Position Overview:

Responsibilities:

- Service and/or install garage doors and garage openers per Toledo Door And Window and leading manufacturer standards.
- Provide exceptional customer service at job sites.
- Clean job sites daily after work is completed.
- Complete daily job reporting.

Key Reasons to Apply:

- Team Environment: Be part of a supportive team.
- Training: Excellent on-boarding training and support.
- Apprenticeship Program: Available for career growth.
- Compensation: Top pay with the best benefits package in the industry.
- Benefits Include: Health insurance, 401K (or similar) retirement program.
- Growth Opportunities: Management growth opportunities available.
- Reputation: Join a company with an excellent reputation in the community.
- Products: Work with nationally recognized products.
- Company Perks: Company vehicles and work apparel supplied.

Experience is PREFERRED but not necessary!
